VAN DUZER VINEYARDS

2023 ESTATE PINOT NOIR

Vintage Highlights

In 2023, a warm, steady summer with few temperature spikes allowed for consistent fruit development and ripening. During the fall, the grapes were given ample time to develop complex flavors and well-structured tannins. Timely rainfall helped extend the growing season, promoting gradual ripening and adding depth to the fruit profile. Harvest took place from September 16th to October 10th.

Winemaking

Our 2023 Willamette Valley Pinot Noir is a blend of fruit from the Van Duzer Estate, which lends a lively, bright acidity, and our Dundee Hills Estate, which contributes depth, richness, and concentrated fruit character. These grapes were fermented in small lots with gentle pump-overs. Aged for 9 months in 25% new French oak, this wine strikes a balance between elegance and expressiveness, showcasing the best of what the Willamette Valley has to offer.

Tasting Notes

It opens with aromas of strawberry compote, raspberry, and pomegranate, with notes of rose petal and baking spices and hints of blood orange and black tea. On the palate, the wine is fresh and lively, with a vibrant acidity. Fine-grained tannins provide structure and lead into a long, graceful finish.
