VAN DUZER
VINEYARDS

2024
ESTATE PINOT NOIR ROSÉ

Vintage Highlights

2024 had classic precipitation and temperature but had a warmer and drier fall, making for a great ripening period. At Van Duzer it was slightly cooler, allowing better hang time and flavor development. Our Pinot noir for Rosé was harvested on October 6th.

Winemaking

Our Pinot Noir Rosé is made by whole cluster pressing, making a wine lighter in color and with a softer rounder structure. Our rosé is fermented in special cigar tanks, allowing for better temperature control. The small surface area during fermentation captures more fruit and aromatics, making a vibrant wine.

Tasting Notes

Our Rosé shows aromas of strawberry, yellow peach, bergamot, and raspberry. There is also a subtle sweetness of citrus blossom honey. On the palate, our Rosé shows a more opulent mouthfeel, but there is still plenty of acidity to keep the wine fresh and provide a long mouth-watering finish.

Vineyard Van Duzer Estate

AVA Van Duzer Corridor

Production 649 Cases

Composition 100% Pinot Noir

Clones Wädenswil

Alcohol 12.7%

pH Level 3.26
